10 for \$20k Challenge

Brad Taylor presented the 10 for \$20k Challenge. This challenge is an initiative of the Roane County Chamber of Commerce Ambassador Team to raise funds for RCADC. They are encouraging local businesses and community members to form teams to compete to raise the most money. The coalition will participate with the name #TeamRCADC. When encouraging people to join the challenge, let them know to use this hashtag when they donate on our website. The coalition is very fortunate to be the recipient of these efforts and all members are encouraged to help with this campaign by recruiting donations to show our support. This campaign will not only help us raise funding but it will also help us raise awareness about the coalition and about local prevention efforts.

The flyer can be found under the link for the February meeting minutes on the website.

The next Coalition meeting will be held on Wednesday, March 8 at noon at the RCADC office (151 E. Race St, Kingston).
